September 9, 2009

TO ALL PURCHASER'S OF CONTRACT DOCUMENTS

**ADDENDUM NO. 1**

RE: Contract No. KH-2354-000-006
I-95 Express Toll Lanes- Off-Site Reforestation

To Whom It May Concern:

A. Attached are the minutes, Attendance Sheet, & Purchasers List from the Pre-Bid Meeting held on August 26, 2009.

B. Responses to Contractor Questions received as of September 2, 2009 are included in this Addendum No. 1.

C. The Bid Due Date for the above referenced contract remains Unchanged, **September 16, 2009** at 12:00 Noon.

The following changes have been made to the Invitation for Bids book:

1. Delete sheets 53-67 and replace with sheets numbered the same dated September 9, 2009 Addendum # 1.

Very truly yours,

Linda D. McGill, CPPB
Chief Procurement Officer

**Pre-Bid Meeting**

**August 26, 2009 MINUTES**

**CONTRACT NO. KH-2354-000-006**

**I-95 Express Toll Lanes – Off-Site Reforestation**

**September 9, 2009**

The following were in attendance:

| | | | |
|---|---|---|---|
| Alisha Wright | MDTA – Procurement | Greg Hoer | PB |
| Tonya Wigfall | MDTA – Procurement -SBR | Tom Conley | PB |
| Bill Dowling | EQR, LLC | Dave LaBella | MdTA |
| Ron Harris | Lorenz, Inc. | Marco Avila | GEC Partners/PB |
| Jennifer Morgan | Lorenz, Inc. | | |

After a round of introductions, Ms. Alisha Wright, from Procurement & Statutory Program Compliance opened the meeting with a brief project description and the following announcements.

This is the Pre-bid for **KH-2354-000-006 I-95 TOLL LANES PROJECT OFF-SITE REFORESTATION – JOHN F. KENNEDY MEMORIAL HIGHWAY**

This project is located at various parks in Baltimore City. The project involves the planting of approximately 1,140 deciduous and evergreen trees ranging in size from 1 ½" to 2" caliber and 6' to 14' in height. Trees will adhere to ANSI Z60.1 standards. All trees shall be balled and burlapped. Some utility test pitting will occur, especially along Broadway Median, to verify exact utility locations. Tree protection sleeves will be required for more than 400 deciduous trees to be planted in Druid Hill Park and Farring Baybrook Park. **A one year care and replacement period will be in effect and strictly enforced.**

**The scope of work for this project will include, but is not limited to the following:**

1. **Submitting list of sources of plant material.**
2. **Test pits.**
3. **Planting deciduous and evergreen trees.**
4. **Staking trees.**
5. **Mulching.**
6. **Fertilizing.**
7. **Spraying.**
8. **Pruning.**
9. **Weeding.**
10. **Watering.**
11. **Installing tree protection sleeves.**

12. **Clean up after planting.**
13. **Care and Replacement for one year.**
14. **Removal of staking and planting accessories.**

This contract must be completed by **November 15, 2009 or liquidated damages** of **$1,000.00** per calendar day will be assessed for unauthorized extensions beyond the contracted time of completion.

1. The bid due date is **Wednesday, September 16, 2009 by 12p.m.** Bid packages must be placed in the bid box located on the first floor of the Engineering Building at the Francis Scott Key Bridge, 300 Authority Drive, Baltimore, MD 21222 and must consist of one complete bid book and all the required documents. Late bids **will not** be accepted.

2. The Authority does not encourage overnight delivery service. However, If you choose to send your package overnight, the bid should be delivered at least a day in advance to the **Maryland Transportation Authority; Office of Procurement & Statutory Program Compliance; 300 Authority Drive; 1st Floor; Baltimore, MD 21222**. It will be the responsibility of the Contractor to make sure that his/her bid package is placed in the bid box. The outside of the mailed package must clearly identify the Contract Number and mention that it is a bid package.

3. The minutes from this meeting will be included in Addendum #1 and distributed to all purchases of the bid documents. The anticipated date for Addendum # 1 is **Wednesday, September 9, 2009.**

4. Please make sure you fill out the Schedule of Prices accurately and completely. Not doing so may render your bid as non-responsive.

5. **This is a Small Business Reserve Procurement, as such;** I strongly recommend that you review page A, The Notice to Bidders / Offerors SBR Procurement, which provides valuable information on the SBR program and page B, Notice to Bidders / Offerors of this invitation to bid prior to submitting your bid on this project.

6. Following this meeting, all questions should be in writing, addressed to the **Project Manager Mr. Marco Avila** and sent via fax to 410-537-7801. The Authority will accept written questions until **4pm on Wednesday, September 2, 2009**. Answers to questions will be distributed to all purchases of bid documents.

7. There is no MBE Goal for this project. However, this project is a Small Business Reserve Procurement. Ms. Tonya Wigfall will now speak more on the Small Business Reserve Program.

The meeting was opened to questions and comments concerning this project. The following questions were discussed and responses provided.

Question #1: Why do the Contract Documents require that "All trees shall be balled and burlapped"?

Answer #1: It is the landscape architect's preference to use only balled and burlapped (B&B) trees on this project. This preference is due to the concern for potential encircling root development within the plant's container and the eventual development of girdling roots as the tree grows larger.

Question #2: Will trees planted under the Contract that do not have tree protection sleeves, and are damaged by animals, be required to be replaced at the Contractor's expense?

Answer #2: Yes. (Refer to the Maryland Department of Transportation, State Highway Administration's Specifications entitled "Standard Specifications for Construction and Materials" dated July 2008, paragraph 710.03.18; and the Maryland Department of Transportation's General Provisions, paragraphs GP-5.09 and GP-7.16.).

Question #3: Will the Contractor be required to replace trees planted under this Contract that are stolen or damaged due to vandalism?

Answer #3: Yes. Refer to the response to Question #2 above.

Question #4: Is there a specification for the tree protection sleeves included in the Contract Documents?

Answer #4: Yes. Refer to Section 715 – Tree Protection Sleeve (pages 41 and 42 in the Invitation for Bids document).

Question #5: Is a traffic control plan required for this Contract?

Answer #5: Bidders are directed to Article SP 1-3 ACCESS TO SITES, MAINTENANCE OF TRAFFIC & PERMIT FEE (page 6 in the Invitation for Bids document).

Question #6: Are the Contractor's workers required to possess a "Yellow Card" to perform work under this Contract?

Answer #6: A "Yellow Card" issued by the Maryland Department of the Environment (MDE) is not anticipated to be required for the work to be performed under this contract.

Question #7: Why do the Contract Documents require that "All trees shall be balled and burlapped"?

Answer #7: It is the landscape architect's preference to use only balled and Burlap.

Question #8: Is 100% survival required?
Answer #8: Yes it is.

Question #9: Can an MBE firm bid on this contract?
Answer #9: Any firm that bids on this contract must be a Small Business Reserve at the time of award.

As there were no further questions, the meeting was adjourned.

Approved

Distribution: Purchasers of Contract Documents
Enclosures: Pre-bid Sign in Sheet
List of purchasers of Contract Documents

**Responses to Faxed Questions**

**September 2, 2009 Faxed Questions Received**

**CONTRACT NO. KH-2354-000-006**

**I-95 Express Toll Lanes – Off-Site Reforestation**

**September 9, 2009**

**Contractor's Faxed Questions received from Empire Landscape, LLC:**

**Question #1:** McMinnville, TN is in hardiness zone 7. Can we buy B&B material from there?

**Response:** The Contract Documents, specifically the Invitation for Bids (Paragraph 920.07.03(a) Hardiness Zones of Origin), does not include the state of Tennessee.

**Question #2:** Can we use container grown stock 1.5" cal and 2" cal? Survivability of container plants is greater than B&B stock.

**Response:** See the response to question number 1 above.

**Question #3:** Could we use Bio-Bark 3' tree shelters on this project instead of plastic mesh?

**Response:** No; the tree protection sleeve identified in Section 715 – Tree Protection Sleeve shall be used on this Contract.

**Question #4:** On page 6 of the specs it says that we will need traffic control and it was discussed at the pre-bid that there would be no traffic control required. Do we need to include that in our price?

**Response:** Bidders should refer to SP 1-3 Access to Sites, Maintenance of Traffic & Permit Fee (page 6 of the Invitation for Bids document). The second paragraph, last sentence states "All costs associated with the maintenance of traffic shall be incidental to the cost of the Contract". There is no separate pay item for the maintenance of traffic.

**Question #5:** Will we be responsible for getting the City Temporary Use of right of way permit [City of Baltimore Department of Public Works Application for Temporary Use of a Right of Way]?

**Response:** Yes.

**Question #6:** Where can we get a copy of the MTA General provisions?

**Response:** The Maryland Transportation Authority's ("MdTA") General Provisions are found in the Maryland Standard Specifications for Construction and Materials (Gray Book).
