

OTHER RELATED PROJECTS

TOLLGATE ROAD – Harford County is currently in the planning phase for the extension of Tollgate Road from Bel Air South Parkway to Plumtree Road. The project will provide an additional route for commuters that use MD 24 as their primary route between the Town of Bel Air and I-95.

Maryland House

I-95 TRAVEL PLAZA STUDY – The MdTA is creating a comprehensive plan for the redevelopment of the Maryland House and Chesapeake House Travel Plazas. This redevelopment plan will address the needs and expectations of the traveling public by modernizing the facilities, increasing capacity, and enhancing the services provided.

ANTICIPATED SCHEDULE:

- November 2008 – Final design of improvements completed
- September 2011 – Maryland House closes for construction
- June 2013 – Maryland House reopens

E-ZPASS – The **E-ZPassSM** system has been installed at all toll facilities in Maryland. MdTA conducted studies to evaluate which toll facilities will need to be upgraded to accommodate future traffic projections for 2009 and 2014 and to increase **E-ZPassSM** usage. Currently, the recommendations from the study are being considered.
