

OTHER RELATED PROJECTS

I-95/MD 24 INTERCHANGE – This MdTA and State Highway Administration (SHA) project improves operations and safety for motorists, bicyclists, and pedestrians using MD 24 from north of MD 924 to south of MD 7. The project consists of two phases. Phase 1 is scheduled to begin construction in Fall 2006. Phase 2 improvements are included in the Section 200 project.

MARYLAND STATEWIDE EXPRESS TOLL LANES NETWORK INITIATIVE – The proposed network of express toll lanes would provide a cost-effective way for Maryland to manage congestion, increase roadway capacity, create an expanded regional transit system, and provide an option for relatively free-flowing highway travel.
