

TRAVEL PLAZA IMPROVEMENTS

The Maryland and Chesapeake House Travel Plazas service over 5 million patrons annually. Planned improvements will provide updated and expanded services to the I-95 traveling public.

■ Site Improvements

- Increased parking capacity.
- Improved pedestrian and vehicular circulation.
- Hardscape/Landscape improvements with picnic areas.
- Easy-off/East-on from I-95

■ Building Improvements

- Larger state-of-the-art buildings.
- Additional restrooms.
- Modernized gas stations with repair facilities.
- Up-to-date food concepts.
- Enhanced traveler sources (tourist information, real time traffic and weather, etc.).
