

WELCOME

Ron Freeland
Executive Secretary

On behalf of the Maryland Transportation Authority, thank you for taking the time to attend this public workshop. The Authority is currently working on several improvements to the I-95 (John F. Kennedy Memorial Highway) in Baltimore County, Harford County, and Cecil County.

Tonight's workshop will:

- ***Update you on the I-95 Express Toll Lane Construction from Baltimore City to White Marsh.***
- ***Update you on the MD 152 Park & Ride Expansion Construction.***
- ***Inform you on the I-95/MD 24/MD 924 improvements soon to start construction.***
- ***Inform you on the Hatem Bridge improvements soon to start construction.***
- ***Present the results of project planning to date on the Section 200 study.***
- ***Present preliminary information on proposed improvements to the Travel Plazas.***
- ***Provide an opportunity for you and all interested individuals, associations, citizen groups, and government agencies to provide verbal and/or written comments***

The displays provide information about the projects and improvements. Members of the project team are present to discuss the materials and address any concerns, comments and suggestions that you may have.

Thank you for your participation!
