## Commercial Vehicle Restrictions During Star Spangled Spectacular Festivities

The Baltimore City Department of Transportation would like to advise motorists of the commercial vehicle restrictions which will be implemented in the downtown area during Baltimore's Star Spangled Spectacular festivities.

**Temporary commercial vehicle restrictions will be in effect from 12:00 noon on Saturday, September 13, 2014 through 12:00 a.m. on Sunday, September 14, 2014.** During this time, commercial vehicles, **including tanker trailers**, will not be permitted in the downtown / Inner Harbor areas of the city and along a portion of Fort Avenue in Locust Point. This commercial vehicle restriction **excludes cabs, buses and other mass transportation vehicles.**

**Commercial vehicle restrictions will be implemented on the following streets during the dates and times listed above:**

- Fayette Street from Martin Luther King, Jr. Boulevard (MLK) to President Street (no commercial vehicles will be allowed to travel on or south of Fayette Street)
- President Street from Aliceanna to Fayette Streets (no commercial vehicles will be allowed to travel on or west of President Street)
- Light Street from Pratt Street to Key Highway
- Key Highway from Light to McComas Streets
- Hanover Street from McComas to Montgomery Streets (no commercial vehicles will be allowed on or north of McComas Street, including Hanover Street)
- Pratt and Lombard Streets from Martin Luther King, Jr. Boulevard to President Street

(more)

- I-395 at the Martin Luther King, Jr. split to Pratt Street (no commercial vehicles will be permitted on I-395)
- Eastbound Fort Avenue from Lawrence Street to Fort McHenry

Motorists are advised to pay close attention to the commercial vehicle restrictions in effect and should use alternate routes during this time. Commercial vehicle restrictions will be strictly enforced in the downtown area.
