November 17, 2014

Patterson High School  
100 Kane Street  
Baltimore, MD 21224

Thursday

November 20, 2014

Brooklyn Park Middle School  
200 Hammonds Lane  
Brooklyn, MD 21225

*Come any time from 5:30 p.m. to 7:30 p.m.!*

The Maryland Transportation Authority (MDTA) is holding open houses to answer questions on the I-895 Bridge Replacement project north of the Baltimore Harbor Tunnel and replacement of Holabird Ave. ramp. Construction will take place between Boston Street/O'Donnell Street and the Baltimore Harbor Tunnel. Work includes demolishing and reconstructing the 3,300-foot elevated section of I-895 north of the tunnel. Construction is expected to begin fall 2016.

Come any time from 5:30 p.m. – 7:30 p.m. There will be no formal presentation – the same information will be provided at each meeting. Staff will be on hand to answer questions about:

- Project need and schedule
- Proposed improvements
- Lane closures and traffic impacts
- Other I-895 system preservation projects
- How to stay connected

Open house locations will be accessible to individuals with disabilities. Individuals who require auxiliary aids should contact the MDTA at 410-537-1000 (711 for MD Relay) no later than three business days before the date of the meeting they wish to attend. For more information, call 410-537-1000.
